Regularly wiped down counter surfaces.

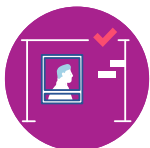

Our staff are encouraged to practice regular personal hygiene, sanitising after each customer interaction.

Staff as well as all customers will be required to wear face masks when entering our offices/branches as per Government Gazette.

Temperatures of staff as well as customers will be taken and has to be below 38 C

Any staff with any flu-like symptoms are sent home.

Our Vehicles

All our vehicles are deep cleaned with specialised disinfectants and detergents. Cars are vacuumed and vacuum filters are regularly disposed of.

Touch points such as the steering wheel, seat belts, gear lever are wiped down with sanitizer prior to dispatching the vehicle to a delivery or collection point or branch.

Our drivers are equipped with sanitizer products and once the vehicle has been delivered to a branch or pick up point, our drivers have been instructed to wipe touchpoints down again as an added precautionary measure. All our drivers have masks and gloves and wear them at all times.

Personal Hygiene

We support social distancing, by maintaining at least 1.5 metres distance between ourselves and the client.

We practice respiratory hygiene, making sure we follow good respiratory hygiene. We cover our mouths and noses with a bent elbow or tissue when you cough or sneeze.

Visit our website or please get in touch with our Call Centre for more information.
